

**REMARKS**

First, the Examiner is thanked for the courtesies extended to the undersigned in two telephone conversations on January 25, 2010, in which the present amendment was discussed.

Second, the specification is amended herein to include a new section of Brief Description of the Drawings. A basis for this new section may be found in the specification as originally filed on page 7 at lines 6 to 8 (FIGS. 1 and 2), on page 8 at lines 6 to 18 (FIG. 3), and in the Drawings as originally filed, *inter alia*. Accordingly, it is believed that no new matter is introduced into the application by this amendment.

Upon entry of this amendment, the specification will be in compliance with the requirements of 37 C.F.R. §§ 1.74 (“Reference to Drawings”) and 1.77(b) (“Arrangement of Application Elements”). For this reason, Applicants respectfully request that the Examiner recommend the entry of the present amendment into the application.

**Conclusion**

It is not believed that any fee is due in connection with the present Amendment. Should any fee be required, however, the Examiner is authorized to charge such fee, or to render any credit, to Deposit Account No. 04-1928 (E.I. du Pont de Nemours and Company).

In view of the foregoing amendments and remarks, it is believed that the application is in condition for issuance, and such action is earnestly solicited. Should the Examiner believe that a further interview or other action in Applicants' behalf would expedite prosecution of the application, the Examiner is invited to contact Applicants' undersigned attorney by telephone at (302) 892-1004.

Respectfully submitted,
